

Product name: Wax shampoo  
Product code: 1209

Date: 01-03-2001

## 7. HANDLING AND STORAGE

Handling:	Do not eat, drink or smoke while using.
Storage:	Store the product in original packaging.
Storage temperature:	As usual.
Using temperature:	Not more than 98°C.

## 8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

Preventive regulations:	Not applicable
Exposure limit:	Not applicable
MAC-Value (mg/m <sup>3</sup> ):	Not applicable
Protection of breathing:	Not applicable
Protection of the hands:	Gloves suggested
Protection of the eyes:	Safety spectacle suggested
Protection of skin:	Nothing special

## 9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state:	Liquid	
Colour:	White	
Smell:	Neutral	
Boiling-point:	About 102°C	
Vapour pressure: 20°C	Not applicable	
Density: 20°C	1.02	DIN 51757
Viscosity: 20°C	< 25	dynamic, Brookfield
Flammable point:	Not applicable	
PH-value:	7.0	
Explosion danger (highest):	Not applicable	DIN 51649
Explosion danger (lowest):	Not applicable	DIN 51649
Auto-ignition temperature:	Not applicable	
Solubility (water):	Well solvable	
Solubility (others):	Not applicable	

## 10. STABILITY AND REACTIVITY

Stability:	Stable
Hazardous materials/circumstances:	Heating more than 102°C
Hazardous decomposition products:	Unknown
Unsuitable materials:	Unknown

## 11. TOXICOLOGICAL INFORMATION

Basis judgement:	Not poisonous
Danger / health care:	Not applicable
Eye-irritation:	Not applicable
Skin-irritation:	Not applicable

## 12. ECOLOGICAL INFORMATION

Ecological data:	The surface-active materials are biologic degradable according to Economic European Community rules.
Biologic / Environmental degradability:	Biologic degradable according to OECD confirmatory Test >98%.

## 13. DISPOSAL CONSIDERATIONS

Disposal should be according to national rules and not in sewage, wells and watercourses

Product name: Wax shampoo  
Product code: 1209

Date: 01-03-2001

#### 14. TRANSPORT INFORMATION

Not classified as dangerous for transport

UN number:

Not applicable

EMS no. Marine Pollutant MFAG no.

Sea (IMDG): -- --

--

ICAO/IATA class

Air: --

ADR/RID

Road:

Not applicable

#### 15. REGULATORY INFORMATION

EEC classification:

Not applicable

Risk-phrases:

36/38

Safety-phrases:

2, 24/25

#### 16. OTHER INFORMATION

History SDS:

First edition.

Revision summary SDS:

Not applicable
