

Product name: Truckfoam Xr 500
Product code: 1216

Date: 01-12-2000

7. HANDLING AND STORAGE

Handling: Do not eat, drink or smoke while using.
Storage: Store the product in original packaging.
Storage temperature: As usual.
Using temperature: Not more than 90°C.

8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

Preventive regulations: Not applicable
Exposure limit: Not applicable
MAC-Value (mg/m³): Not applicable
Protection of breathing: Not applicable
Protection of the hands: Gloves suggested
Protection of the eyes: Safety spectacle suggested
Protection of skin: No special requirements

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Liquid
Colour: Green
Smell: Neutral
Boiling-point: About 100°C
Vapour pressure: 20°C Not applicable
Density: 20°C 1.06 DIN 51757
Viscosity: 20°C < 25 dynamic, Brookfield
Flammable point: Not applicable
PH-value: 12.9
Explosion danger (highest): Not applicable DIN 51649
Explosion danger (lowest): Not applicable DIN 51649
Auto-ignition temperature: Not applicable
Solubility (water): Well solvable
Solubility (others): Not applicable

10. STABILITY AND REACTIVITY

Stability: Stable
Hazardous materials/circumstances: Do not mix with acids
Hazardous decomposition products: Unknown
Unsuitable materials: Unknown

11. TOXICOLOGICAL INFORMATION

Basis judgement: Not poisonous
Danger / health care: Not applicable
Eye-irritation: May cause slight irritating : redness
Skin-irritation: May cause slight irritating : degreasing
Breathing-irritation: Not

12. ECOLOGICAL INFORMATION

Ecological data: The surface-active materials are biologic degradable according to Economic European Community rules.
Biologic / Environmental degradability: Biologic degradable according to OECD confirmatory Test >98%.

13. DISPOSAL CONSIDERATIONS

Disposal should be according to national rules and not in sewage, wells and watercourses. Disposal is also possible by burning.

Product name: Truckfoam Xr 500
Product code: 1216

Date: 01-12-2000

14. TRANSPORT INFORMATION

Not classified as dangerous for transport

UN number:			Not applicable
			<u>EMS no. Marine Pollutant MFAG no.</u>
Sea (IMDG):	--	--	--
			<u>ICAO/IATA class</u>
Air:	--		
			<u>ADR/RID</u>
Road:			Not applicable

15. REGULATORY INFORMATION

EEC classification:	Not inflammable
Risk-phrases:	36, 38
Safety-phrases:	2, 24, 25, 26

16. OTHER INFORMATION

History SDS:	First edition.
Revision summary SDS:	Not applicable

This Safety Data Sheet provides health and environmental information regarding the product mentioned above. These data do not provide technical information regarding our product. The information was provided to the best of CARTEC's knowledge and are believed accurate and reliable as of the date indicated. However, no representation, warranty or guarantee is made as to its accuracy, reliability or completeness. It is the user's responsibility to satisfy himself as to the suitability and completeness of such information as for his own particular use.
